TUSTIN SOCIAL

Met for Sewing

The members of the Richardson Art club met Thursday afternoon and employed their time in delightful fancy work. The members present were Mesdames Tuttle, Lambert, Harcastle, Stearns, House, Chris Noe, and Miss Lena Wollenberg.

Losing Side Gives Banquet

The members of the Tustin "Y" met last night at the home of Mrs. Shatto and enjoyed a banquet and a fine program.

Several weeks ago the members chose sides, having for one leader the president, Mr. Tuttle, and for the other, Miss Louise Long. Miss Long's side won, consequently the other side furnished the excellent banquet given last evening.

Very Interesting Meeting

The members of the Tustin W. C. T. U. held a profitable and interesting meeting at the home of Mrs. A. L. Shatto Thursday afternoon.

After the devotional service, "Anti-Narcotics," the subject for discussion, was taken up. The members were led by Mrs. M. C. Pollard who said in part:

"The term 'Narcotic' comes from a Greek very which means to benumb or deaden, and the word 'stimulants' from a Latin noun which means a spur or goad, something which excites or spurs on. These two words are often combined but the essential action of the articles to which I call your attention is benumbing upon all healthy activities," therefore the term 'narcotics' fully expresses their real character."

The following were some of the subjects touched upon: "Drug Addictions, Opium and Cocaine," "The Tobacco Toboggan," "The Effects of Cigarettes Upon Boys," "Cigarette Suicide," "Many Good Men Smoke, and Why?" "Prevention the Practical Solution." The subjects were followed by a general discussion. A song, "The Cigarette Must Go," by Mrs. Pollard and Mrs. Hadley was then given.

Mrs. M. R. Rawlins was elected as delegate to the Woman's Parliament, and for the county convention to be held at Fullerton April 19 and 20. Mesdames N. Mevin, M. C. Pollard, and L. H. Hadley were elected as delegates. The alternates were Mesdames M. E. Fields, E. M. Crawford and Thomas.

The next meeting will be held at the home of Mrs. A. L. Shatto when reports from the convention will be

That our American forests abound in plants which possess the most valuable medicinal virtues is abundantly attested by scores of the most eminent medical writers and teachers. Even the untold Indians had discovered the usefulness of many native plants before the advent of the white race. This information, imparted freely to the whites, led the latter to continue investigations until today we have a rich assortment of most valuable American medicinal roots.

Dr. Pierce believes that our American forests abound in most valuable medicinal roots for the cure of most obstinate and fatal diseases. If we would properly investigate them, and in accordance with this conviction, he holds with pride the almost marvelous cures effected by his **Golden Medical Discovery**, which has proven itself to be the most efficient stomach tonic, liver invigorant, heart tonic and regulator, and blood cleanser known to medical science. Dyspepsia, or indigestion, torpid liver, functional and even valvular and other affections of the heart yield to its curative action. The reason why it cures these and many other affections, is clearly shown in a little book of extracts from the standard medical works which is mailed free to any address by Dr. R. V. Pierce, of Buffalo, N. Y., to all sending request for the same.

Not less marvelous, in the unparalleled cures it is constantly making of woman's many peculiar affections, weaknesses and distressing derangements, is Dr. Pierce's **Favorite Prescription**, as is amply attested by thousands of glowing testimonials contributed by grateful patients who have been cured by it of catarrhal inflammation, painful periods, irregularities, prolapsus, and other displacements, caused by weakness, ulceration of uterus and kindred affections, often after many other advertised medicines, and physicians had failed.

Both the above mentioned medicines are wholly made up from the glyceric extracts of native medicinal roots. The processes employed in the manufacture were original with Dr. Pierce, and they are carried on by skilled chemists and pharmacists with the aid of apparatus and appliances specially designed and built for this purpose. Both medicines are entirely free from alcohol and all other harmful, habit-forming drugs. Full list of their ingredients is printed on each bottle wrapper.

The members of the Tustin Presbyterian Missionary Society will meet next Thursday afternoon with Miss Ida Mitchell at 2:30. The subject for the afternoon will be "The Freedmen." The leaders would like anyone having interesting literature on the subject to bring it with them.

Enjoyed Supper

The members of the Bide-a-Wee club and their husbands were entertained with a fine supper at the L. Allen residence Thursday night. The occasion was in honor of Mr. Allen's birthday. It also happened to be Mrs. H. Roy Smith's birthday. Those present were Mr. and Mrs. Cood Adams, Mr. and Mrs. D. D. Adams, Mr. and Mrs. Byron Johnson, Mr. and Mrs. Chas. of architecture, consistent throughout, and is the expression of an ideal. Many of its features are symbolic. The ground floor is in the form of a cross, especially eloquent of Christian faith. The columns express adoration; the dome, God's heaven arching over earth, while the final, surmounting the dome, with its golden tongue of flame, bears witness to the divine spirit illuminating the world. The interior, the organ and the furnishings, are consistent with the classic outline of the building.

The church, with organ and equipment, represents an outlay of \$27,000. It was designed by Berger Elwell, a Santa Ana architect, and was erected by George E. Preble, contractor, and W. S. Becker, superintendent. The church building committee was composed of E. M. Nealley, C. S. Crookshank, W. B. Tedford, W. N. Baker, Ralph Mead, J. S. Rose, W. S. Decker and A. H. Nickell.

The members of the committee of finance were M. M. Crookshank, S. H. Pendleton, W. B. Wetherbee.

The first money was pledged for the new building on Sunday, April 25, 1909, when \$13,000 was subscribed at a regular morning service.

Excavation for the building was begun in the latter half of August, 1909. The first room of the structure to be used was the Sunday school auditorium, occupied on Sunday, February 27. The installation of the splendid pipe organ, built by Hook & Hastings of Kendall Green, Mass., was completed this week.

The seating capacity of the church auditorium is 400, with the same capacity for the Sunday school auditorium. The two rooms thrown together have a total seating capacity of 800. Handsome pews have been installed. Numerous class rooms are built around the balcony space of the Sunday school auditorium.

The dining room, with a table capacity of 150, Baracca club room with kitchen and furnace room occupy the basement of the church.

The completion of this church structure marks a milestone in a new epoch inaugurated in the local church, with the advent of Rev. Charles H. Seccombe into its life. Becoming its pastor in January, 1909, he inspired his congregation to the belief that the erection of a new church building was not only a possibility but a necessity. With untiring enthusiasm he has led his people to the splendid goal that will be consummated tomorrow. As the

Tomorrow there will be three services, with President James A. Blaisdell, of Pomona College preaching the dedicatory sermon in the morning. The choir that will render the dedicatory music consists of the following:

ADDRESS TO STUDENTS
BY REV. W. L. C. SAMSON

Rev. Samson delivered a most interesting address before the high school student body yesterday. He first asked the question: "Who are our best friends?" In answer to it, he said that the parents and teachers are under all circumstances the students' best friends.

In discussing the parents' relation to the student, answered the question, "Why are they our best friends?" One evidence of this question, he said, is the self sacrifice which every loving parent has to suffer for the student in order that he might have the best opportunity within the parents' means for an education. Another evidence is the tender ties existing between parents and children. He then told how the students may signify their appreciation for their parents' self-denial and efforts. He presented two plans for the students to follow: First by making the most of the privileges which they have given; and second, by the personal relations in the home with father and mother.

In discussing the relation of the pupil and teacher, Rev. Samson said that the teachers and students should be confidential, and that a proper relationship could be secured by the student entertaining a favorable estimation of the value of such relationship, and by encouraging and sympathizing with instructors when such is most needed.

His address was one of the most

helpful and pleasing speeches delivered before the student body, evidenced by the applause tendered Mr. Samson after an address upon a subject of such extreme delicacy.

ROOSEVELT AND TAFT

There are those who predict that Roosevelt, when he gets home, will do things to Taft that will bring that famous smile off in a hurry. Before getting excited over such a prospect, however, it might be well to stop and inquire what could be the motives that would lead to such a condition. What has Taft done or left undone that should excite the ire of Roosevelt?

At this point the prophets of evil point to the Payne tariff bill. Well, granting that the Payne tariff bill is not what it should be (and Taft says as much) or even granting that it is as bad as is claimed, what of it? Taft did not make the measure, and though he signed it, he did so because it was an improvement on existing tariff conditions, both in the schedules and in revenue-producing power. The government had to have money, and had the Payne bill been vetoed, the United States would have been piling up the deficiency even now; whereas the deficiency has disappeared and a surplus has taken its place.

Do the Republican enemies of the administration claim that the last revision of the tariff made matters worse? Certainly not, if they know and care what they are saying. Had Taft made the revision himself, he would have done it differently. But Taft did not make the revision and he signed the bill as being the lesser of two evils.

There is absolutely nothing in this tariff gibberish. The poor old tariff is seized upon as a mere excuse for discrediting the administration. The tariff has always been and is now being made to do this duty because the general public can be fooled on it easier than on any other subject. Of the thousand and one complicated calculations that enter into the tariff there are always some that can be played upon in a way to mislead. That is just what is being done today, and the shame of it is that it is being done by people who want exorbitant protection for themselves and none for the balance of the country. The insincerity of their talk against the administration stands out as plainly as the noonday sun.

But what else would Roosevelt object to in Taft? Has not Taft stood up for the Roosevelt policies and done everything possible to get congress to enact these policies into law? As to the foolish cry that Taft has endorsed Cannon, the opposite is true—Cannon has come over to Taft. As to Pinchot, the latter cut off his own head or forced Taft to do it against his will, which is the same thing.

BOOZE AND POLITICS

It is bad politics to become mixed up with booze and the red light. On the least provocation these allies will throw down any party that depends on them. In one respect Senator Wolfe was right when he made his famous speech in the last legislature against the local option bill. He contended that if it were passed the republican party would meet defeat at the next election, by which he meant that the Royal Arch would go over to the Democrats just to teach the Republican party to be good. He knew that this organization could and would carry with it every saloon keeper, practically every regular patron of saloons, every patron of the red light, and every gambler, as well as every business man who could be intimidated. He calculated that these elements held the balance of power and would wield it against the G. O. P. for the purpose of whipping it back into line. The implied argument was that the better element would be divided on the political issues, the one part

adhering to the Republican and the other to the Democratic party, which would leave the two so equally divided that the Royal Arch and the hosts behind it would have the deciding vote.

Once on a time when Jay Gould was testifying before a congressional committee, he was asked as to his politics and replied, "I am sometimes a Democrat and sometimes a Republican, but am always an Erie railroad man."

Such is the case with the Royal Arch—it has no politics except that of its own convenience and will as readily back up one party as the other. When nothing is at stake, it will divide for appearance's sake, but when the dominant party undertakes to limit its privileges, it stands as a solid wall and thereby lowers the tone of the public service, at the same time increasing the rate of taxation. In these ways it brings reproach and ultimate defeat upon any party with which it affiliates. To the Republican party of California the Royal Arch has already brought reproach and may yet bring defeat.

THE CENSUS MISNOMER

Uncle Sam has gotten into trouble with the women of Chicago, and in passing let it be understood that if there is anything about Chicago that is right and moral, it is the women.

The women are certainly right in the present instance and our Uncle is wrong. The situation comes about through a misnomer in the census, by which Uncle Sam classes women who are householders under the head of the "unemployed." Anent this point the women ask, "Are women who get three meals a day, raise children, do the sewing, clean the house, wash the clothes, make both ends of the family income meet and take snatches of sleep between times, to be classed with the 'Weary Willies' who appear at back doors for a hand-out?"

The question is certainly a pertinent one and it might be amended by adding, "If women who do this are 'unemployed' what does it take to constitute employment?"

If the census proceeds on the basis objected to, it will show that the majority of the women of the country are hoboes—or, worse still, devotees of fashionable society.

SPLENDID CLIMAX OF ANNIVERSARY WEEK

Friday, the closing day of Baptist Anniversary Week was the climax of the long to be remembered week. Every affair of the day did credit to the church. Two receptions were given in the afternoon in the Sunday school rooms, which had been redecorated and transformed into a bower of roses. The canopy of plumes domed immense hanging baskets of roses. The staircase was twined with long sprays and in the small room where delicious cakes and fruit-ade were served an abundance of roses was used tastily. Mrs. Hains and her committee deserve much credit.

The first reception was to members of the congregation and the visitors and strangers were thus welcomed. At 4 o'clock was a reception to Dr. and Mrs. Garnett in honor of their eleven years with the church. In the receiving line was the Anniversary Central Committee. After greetings and social time the company passed into the auditorium where they were surprised to find Mr. Percy Lusk at the organ and seated about him the members of the Babize orchestra, comprising eight pieces.

The following excellent programme was given:
Grand March, "Iron Cross" (Izenman)
Overture, "The Bridal Rose" (LaVelle)
Hungarian Danz No. 2(Brahms)
March, "Monstrat Vlam"(Joy)
Vocal Solo, "Songs My Mother Used to Sing"Mrs. Frank Harris
Dr. and Mrs. James Whitcomb Brougher, Mrs. Morse, Mrs. Beeson and Mrs. Graves all of Los Angeles attended the reception and were guests at the 6 o'clock supper served to the officers of the church in the basement. The tables were laden with good things to eat and the good fellowship of all made this event one of pleasant memory.

At 7:30 Dr. Brougher addressed an audience in the auditorium on the "Church of Influence." Dr. Brougher was a boy in Dr. Garnett's Oakland church and went out to study the ministry from the influence of his pastor, and last night heaped praises and compliments upon this one who has so affected the trend of his life. He said that of the many helpful sermons he recalled, one has always held him to a life purpose, "Be Prepared to Live Rather Than to Die."

Dr. Brougher said he did not want to die but live and fight. He was not looking for a hole in the ground, but, if he did fall in, it would be because he was looking up. He said among other things that the church of influence is the church of peace and harmony and in this western clime, a pastor and people who have been

The church of influence is the church that lives its profession as well as requiring its pastor to practice what he preaches. The spotless life of the pastor of this church accompanied by the consistent living of its members is being felt in this community. The successful church is the church with a life purpose.

Dr. Brougher's aim for Temple church, Los Angeles, is 1000 new members in a year. That means one member won in twelve long months by each member of that great church. "That's not taking them in too fast," said Dr. Brougher. "If I can win one, each one of my members can. I want Temple Church to be the biggest and best working church in the world."

Dr. Brougher is a fearless speaker, and his wealth of stories that accompany the points in his sermon, holds his audience in laughter or in serious thought.

The Automobile is Rapidly Supplanting the Horse for Business Purposes

"That the horse is rapidly being supplanted by the more efficient and economical motor vehicle is becoming more apparent each day," says Mr. A. B. Hendrickson of the Fourth Street Garage, local distributor of the Reo. A case in point is that of Wilbur F. Godfrey who purchased a \$550 Reo runabout about a year ago and who is highly pleased with the results obtained. Mr. Godfrey says that he is able to cover more than twice as great a territory with his Reo than he formerly did with a horse. This is accomplished too, with greater ease at less than half the cost. Mr. Godfrey designed and built a detachable back for delivery purposes that is at once proving serviceable and popular. Many local traveling salesmen are changing from the horse, trolley and railroad to the Reo.

Next week's issue will tell you all about our classy 4-cylinder Reo.

Clairvoyant

What Will Be Thy Fate?

LUZON

The World's Greatest Psychic Adept and

Palmist

The best will come—those who have never visited a clairvoyant before. Why? Because I intelligently unravel their troubles. I see all, I tell all, and never ask a solitary question, but you must come to me fair-minded and honest, or I cannot help you; the very nature of my profession admits of no challenge contest. Be passive and I will tell your innermost soul, solve the mysteries that rack your brain and life from your spirit the troubles and cares that weight it down, tell what you earn, and whether or not you could do better, where to invest your money to gain the greatest result; the prospect of an increase in business, who your employer is and how you rate with him; who of your employees are honest or dishonest with you. I give the names of those who love you, who are true and those who are false. I locate missing persons, papers, and furnish evidence. I give the names of your rivals, enemies and friends. I do find out what causes your bad luck and remove spells, hindrances, stumbling blocks and hurts. I stop evil habits, vice and your enemies' designs.

If you are going to consult a clairvoyant, why not see the best.

Psychotherapy Study Club
The Psychotherapy Study Club will meet on Monday evening at the residence of Mr. and Mrs. S. M. Davis. The paper will be given by E. M. Nealley, and will trace the historical development of the doctrine of a subconscious self, and analyze and compare the six definitions of the doctrine that exist today, using a number of charts and diagrams by way of illustration.

April Meeting of "Y's"
On next Monday evening the "Y's" will hold their April meeting at the residence of Miss Sarah Gardner, 412 West Washington. The subject for the evening will include the topics of medical temperance and patent medicines.

Following the business meeting and program a social hour will be enjoyed. All young people are cordially invited to attend this meeting.

For Miss McBride
One of the April brides-to-be, Miss Agnes McBride, was very charmingly entertained last night at a 6:30 o'clock luncheon with Misses Hattie Whidden and Bessie Lewis as hostesses. The function was held at the Whidden home, 518 South Main street. The decorations of both house and table were in pink and white, hearts and roses being used for the rooms and carnations for the table. The dainty tints of the color scheme were carried into the refreshments, which were served in heart-shaped form. Covers were laid for the guest of honor, Miss McBride; Misses Mary Smart, Alice Trickey, Esther Patterson, Vera Heathman, Leslie Smith, Bernice McBride, Bessie Lewis, Hattie Whidden, and Mrs. Fannie Cowan.

Miscellaneous Shower
Miss Hazel Rowley entertained last evening in honor of Miss Evelyn Preston, the twenty or more young ladies who were guests being among the most intimate friends of the prospective bride. Each one brought a gift and was graciously thanked by the recipient, who thoroughly appreciated the good will thus expressed. The house was beautifully decorated in green asparagus, from which hung hundreds of red hearts and white cupid. This color scheme was carried out in everything pertaining to the function, white roses and scarlet carnations being used in profusion. The supper table was beautiful with its red and white appointments. A shower of green, from which airily suspended the red hearts and white cupid, was the centerpiece, and the salad and ice cream were served in red heart-shaped cases. The place cards were dainty wedding slippers with orange blossom decorations, painted by Miss Rowley. At each girl's plate was a heart containing a humorous poem describing the ideal in her heart. A game called "Sweet Evelyn" was played, in which Miss Freda Moesser, having the highest score, received a picture of "Sweet Evelyn."

The invited guests were Gladys Wallace and Marie Rouse of Los Angeles; Hope Trickey, Zoe Vanderlip, Faith Shaw, Freda Moesser, Amelia Edgar, Ruth Deardorff, Anette Deardorff, Marguerite Smith, Evelyn Preston, Harriet Andrews, Janet Smart, Fannie Smart, Una Boynton, Louise Montgomery, Laura Talcott, Della Wilson, Grace Parker, Frankie Bruner, Velda Medlock, Mamie Winans, Edith Cole, Lillian Norman, Virgil Potts, Grace Rowley, Hazel Rowley.

Surprised Mr. Bruns
Last evening Mr. John Bruns, who is soon to leave the city for the East, to be absent most of the summer, was taken completely by surprise, when over thirty members of the Berean Bible class of the First Methodist church, their teacher and a few of their friends, called at his beautiful residence about 8 o'clock, to enjoy a social hour with him and his interesting family.

Two hours passed rapidly in social conversation, interspersed with music, when delicious cream and cake were served, after which the self-invited guests departed, wishing the family much happiness and prosperity in the future.

County W. C. T. U. Convention
The twenty-first annual Orange County W. C. T. U. convention will be held at Fullerton Methodist church, April 19-20. A large number of people from Santa Ana will attend and several will take part in the excellent program that has been arranged for the two days. In addition to the regular business of the convention, a drinking fountain will be dedicated and a silver medal contest will be held.

Welcomed New Members
Rev. and Mrs. J. A. Stevenson last night held an informal reception for the new members of the First Presbyterian church, the members of the session and their wives, the trustees of the church and their

Wives, Mr. and Mrs. C. S. Kendall.
These receptions tendered by the pastor and wife produce the pleasant result of making the newly received members feel that they are gladly welcomed into the church home and gives them an opportunity to become acquainted with each other and the officials of the church.

High School Entertainment
The High School concert was a complete success, and was patronized by a large and appreciative crowd. The program in general was excellently rendered. The Glee Club rendered several choruses with evident satisfaction to the audience. The "Glow Worm" chorus, in costume, was a "noteworthy production. The "Foot Ball Chorus" was given in real college style. The best production of the Glee Club, however, was "Wien-gelien," which was rendered with excellent harmony.

The girls' flower drill was possibly the leading attraction of the evening. The grace and charm of the participants, the attractive costumes, the brilliant electrical effects, all tended to make this a most pleasing feature. The various poses and movements, with the graceful handling of the wands, contributed to its beauty.

The play, "Owin' to Maggie," gave great satisfaction. The tenement girl was well taken by Miss Cora Seifert, who furnished merriment such as only an Irish maiden can. Miss Doris Robbins, as a young lady interested in settlement work, was successful in the rendition of her part, while Miss Florence Crosier imitated the rich old aunt exceedingly well. Mr. Walter Heninger pleased the audience by accidentally appearing in womanly attire on account of a train wreck. Miss Ella Livingston, Messrs. Wotton and Lutz also played their parts exceedingly well.

Malcolm Tedford was especially good in his cornet solo, playing Schumann's familiar "Traumerei" with splendid effect. He was accompanied by Mary Hallmark. Miss Celia Kriebel was accompanist for the evening. The duet by Misses Dorothy Seesombe and Georgia Barnes was omitted.

Much credit is due Misses Taylor and Pendry for their efficient work in coaching. Financially as well as artistically, the entertainment was a success, and the high school is deeply appreciative of the generous patronage.

Ladies of G.A.R. Entertain
The military and musical entertainment given by the ladies of the Grand Army at G.A.R. Hall, on Thursday evening, was highly appreciated by the audience. The grand military march was led by Glen Breeding. Miss Lillian Wight of Los Angeles, presided at the piano. The march entwined the hearts of the old vets once again. The drum corps, including the four Cozad brothers, sons of a drum major of the Civil war, gave several fine selections of martial music, reminders to the old boys of a past military life.

The principal musical selections were given by Prof. A. J. Elmer and students, of Los Angeles, Misses Blanche Estella Sparling and Lillian Wight. There were several other selections on phonographs, by Comrades Brooks and Cozad. The professor gave the "Flower Song" as a clarinet solo, accompanied by Miss Sparling on the piano. The duet from Norma, and "America Forever," by the young ladies, was highly appreciated in the manner of execution. Miss Sparling sang "Meditation," with clarinet obligato by Prof. Elmer. Miss Wight at the piano. In response to an encore Miss Sparling sang "Carmena." Her sweet and flexible voice, with her execution, is wonderful.

The evening's entertainment ended with a jolly good time in the banquet room.

OLD NEWPORT NEWS BUDGET

H. Obar, Phil McClintock, Capt. J. M. McCloud and Richard Mathews took dinner on Sunday with Will Armstrong.

Will Devinney lost a very fine black horse last week, from an attack of acute colic.

T. R. Harlin of Los Angeles called on his brother W. J. Harlin last Saturday.

Miss Ruth Armstrong has recovered from a recent very severe illness.

Mrs. Enise Joseph and daughter returned to her home in Fullerton after a visit of several days with her mother, Mrs. M. A. Baker.

Mrs. Lee Boland is home again from the hospital, having recovered from illness sufficiently to be moved.

Miss Ora Baker and two younger sisters returned from a week's visit with their sister, Mrs. Enise Baker of Fullerton.

J. M. McCloud has been visiting old friends and renewing old acquaintances in this neighborhood the past week. He is back from the Philippines on an extended visit to friends and relatives in various parts of the state. "Mortie" spent his boyhood days in Old Newport and at the outbreak of the Spanish-American war enlisted in the services of Uncle Sam. He has remained faithful to this chosen vocation and is now known as "Captain" in the Philippines, or in army circles, but among the boys at home he is called "Mort"—er I mean "Captain." Ten years have wrought a great change in the personal appearance of our old friend and there were few who recognized the stalwart Captain as the lad we used to know "befo' the wah." Captain McCloud expects to return to the islands about the middle of the summer, going by way of Europe.

The contest for new members of the Epworth League ended and the losing side prepared a banquet in honor of the occasion for the winning side. A fine program consisting of the latest songs, by chorus, quartette, trio, and solo, recitations and readings that were literally sidesplitting.

being rendered by various ones of different ages, remarks by the leaders, and finally, but far from least of importance, the delicious supper of ice cream and cake. Considering the shortness of time for preparation, it was one of the best events of the year.

Tuesday evening occurred the reception of new members into the League, with impressive services. About thirty new members joined, making our league a strong band of workers.

\$3.50 Recepte Cures Weak Kidneys, Free

Relieves Urinary and Kidney Troubles, Straining, Swelling, Etc.

Stops Pain in the Bladder, Kidneys and Back

—Wouldn't it be nice within a week or so to begin to say goodbye forever to the scalding, dribbling, straining or too frequent passage of urine; the forehead and the back-of-the-head aches; the stitches and pains in the back; the growing muscle weakness; spots before the eyes; yellow skin; sluggish bowels; swollen eyelids or ankles; leg cramps; unnatural short breath; sleeplessness and the despondency?

I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$3.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. E. Robinson, K611 Luck Building, Detroit, Mich., and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure, harmless remedies, but it has great healing and pain-conquering power.

It will quickly show its power once you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.

LOS ANGELES PRODUCE MARKET

A drop of one cent a dozen was made in the prices of local extra select, candied and case count eggs, on wholesale market yesterday morning. The market has been weak for the past few days and the break was expected by the egg men. Local case counts were in pretty good demand and a number of sales were reported at 24 cents. Activity in all other varieties was not very brisk. The total egg receipts for the day were 329 cases.

The demand for strawberries continued to be big, as were the arrivals. It was estimated yesterday that 3800 crates of strawberries were shipped into the city Thursday night. No one seemed to have difficulty in disposing of the supply, and the most of the berries went at 4 cents a basket. There were but few raspberries in evidence at the wholesale houses yesterday morning.

Asparagus went up 1 cent a pound. There is not near as much of the grass on the market now as there was a week or so ago, and the market is firm, with the vegetable moving in good order.

Total butter arrivals reported were 23,835 pounds. The butter market was not very active and was in about the same condition as the day before. Prices remained the same.

Receipts of cheese were 608 pounds. The market was very slow, and about the only activity was in limberger, of which a small quantity was sold at 3 cents under quoted price. Offerings in all varieties were plentiful but there was no demand.

Potato arrivals were 1283 sacks. Spuds moved along slowly with prices weak and no changes. The market on Bermuda onions continued to be very weak, with the average selling price 15 cents under that of Thursday. There was also a good offering of other varieties, with but very little demand. Onion receipts were 424 sacks.

The bean market was slow with no arrivals reported. No. 1 pinks and small whites were placed on sale but no calls were made for them.

Fish of all varieties were on the market yesterday in large quantities. The demand was good and everyone could find most any kind they wanted.

NAME ON REGISTER BUT GOT NO VOTE

Huntington Beach Had a Merry
Forty Minutes on Election Day

HUNTINGTON BEACH, April 15.—The election board at the city election the first of this week had an exciting forty minutes. Samuel Hearn was challenged when he stepped up to vote, and forthwith there commenced a warm time. Hearn had been quite active during the campaign, and at a recent school election, it is alleged, he successfully challenged a number of voters. These facts seemed to have a good deal to do with the disposition to challenge Hearn's vote.

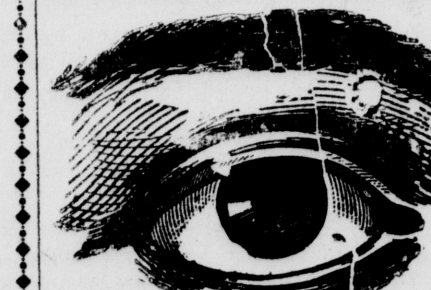

At any rate, it was challenged. Hearn's name appeared on the last Great Register, of that there was no doubt. But the ground of challenge was that since that time Hearn had deserted his residence and moved to Arizona, that by so doing he ceased to be a resident of the state, and hence could not vote until a year

MOST OF THEM HAVE DECLINED

Ed. Tedford Will be Democratic Candidate for County Auditor

At the conference of the county Democrats this afternoon, Ed. Tedford stated that he would run for county auditor. Nearly all the others suggested at the conference two weeks ago decided to run. Among these were J. S. Rice, suggested for assemblyman; H. C. Kellogg for surveyor; J. A. Nunn of Santa Ana, and D. C. Pixley of Orange, for supervisors. Jasper Leck of Tustin, almost declined to run for supervisor, but said he would run if the Democrats had no stronger man.

It was decided to hunt no further for candidates for clerk, tax collector, assessor and recorder. If any Democrat wants to go for any of those places he will get the party endorsement.

A Show to Praise

The repertoire of new ideas and novelties advanced by Campbell Brothers Big Consolidated Shows above the old stereotype circus is an innovation. The new attractions secured are the most unique and sensational, absolute from all others, and are receiving enthusiastic praise from press and public. Elaborate costumes prevail in all departments and each performance is a triumph, justifying the reports received in advance. They will appear here on May 3. A grand street parade will be given at 10 a. m. The two big shows will occur at 2 and 8 p. m. under the new water-proof tents, rain or shine.

We Have NOT Quit Business

Several people have called us up and asked if we had quit business. We want to make known the fact that THIS place did NOT and does not intend to leave town. Our business is good and Santa Ana is good enough for us. We believe its also good enough for you. Boost! Boost! is our motto. Help boost the old town. We are going to boost everything in Santa Ana (but our prices). They are going to remain as low as ever and now don't forget that if anyone says we left town it must have been some one else. Not us!
